problems of society

beauty privilege: what it is ?

problems of society

Beauty privilege is more present in society because teenagers care a lot about physical appearance.

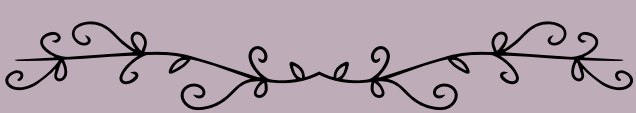

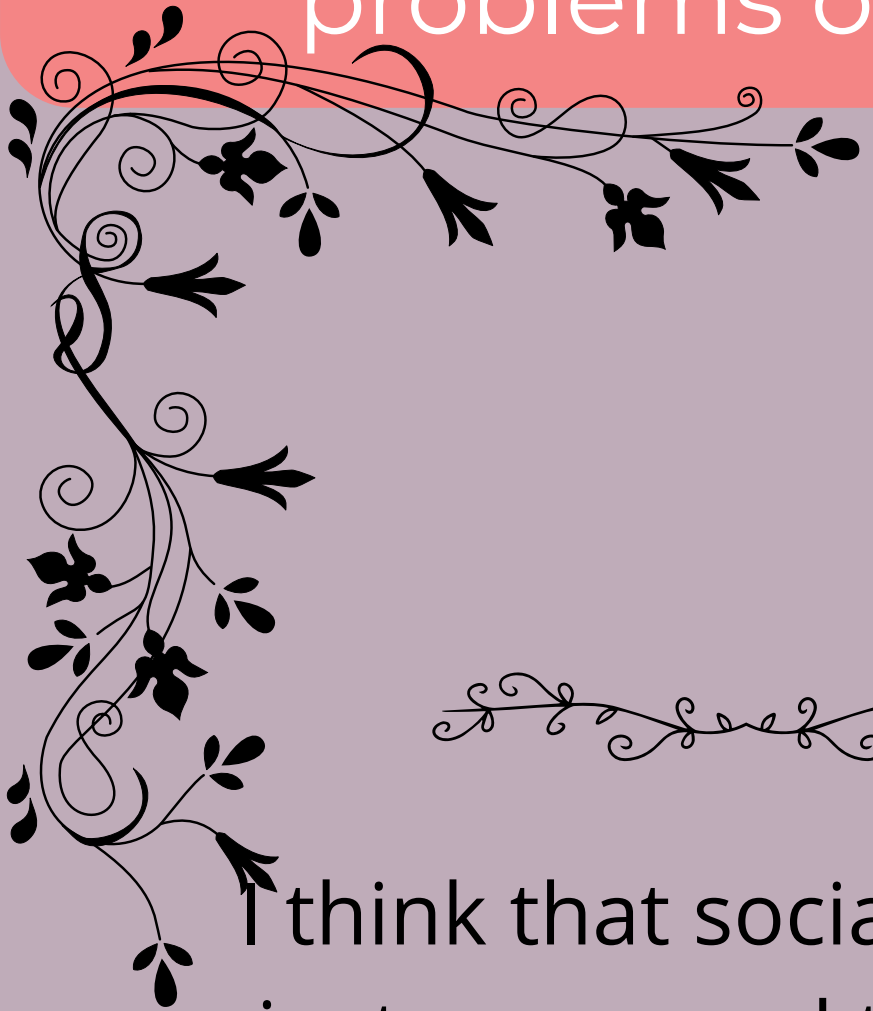

What do you think about beauty privilege ?

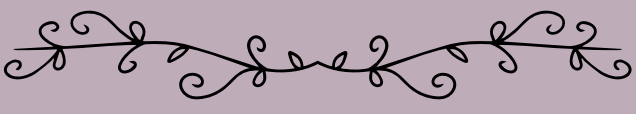

"I notice that men give me more attention when I dress sexy"

problems of society

I think that social media like
instagram and tik tok don't
help teenagers to feel
comfortable with their
bodies because of all the
retouched photos.

MAIN ACTOR : EVAN PETERS

OPINIONS OF THE STUDENTS OF OUR CLASS:

"Evan Peters has been great in this role by delivering one of the most engrossing performances."

" It's okay to praise Evan Peters for his performance ; he is a brilliant actor. But do not romanticise him in the role as Jeffrey Dahmer : because he is a criminal. "

" It's a very good mini series. I was surprised by the quality of the staging of this series. It has an original atmosphere worthy of the 70s."
